Winter 2018 Classes

Heart Bead's Basic Wirework Class...

Saturday, Jan. 20th, 10am to Noon-ish...

This class teaches the basic wire looping & wrapping techniques needed to make everything from earrings to chain necklaces and beyond! We will cover earring and linked necklace design aspects, and any specific project questions you bring. Basic materials included in the \$30 fee.

Stone-Wrapping Workshop...

Saturday, Jan. 27th, 10am to 12:30ish

This class will introduce you to the basic Basket-Wrap and a more advanced Frame –Wrap technique for securely wrapping stones and found-objects. It's perfect for wrapping stones and objects with no hole. As time permits we will cover more advanced wrapping options and decorative wire working styles. Basic materials included in the \$40 fee.

Woven Wire Ring Class ...

Saturday, Feb. 10th, 10am to Noon-ish...

This new ring class introduces you to weaving with wire. Learn to weave a wire bezel around a center bead to embellish your ring in a unique way. This wire weaving technique can also be adapted to other beading projects. All materials included in the \$40 class fee.

Viking Chain Knit Class ...

Saturday, Feb. 17th, 10am to One-ish...

This class will teach the basics of Viking chain knitting with copper wire. You will learn set up, weaving the double knit and drawing knit through drawplate to create the supple chain. Materials included in \$ 50 Class Fee.
